Holland announces Mike O’Grady as Chief Operating Officer

CRETE, IL – March 13, 2017 – Holland is pleased to extend a warm welcome to Mike O’Grady who has joined Holland as our new Chief Operating Officer for the Maintenance of Way Operating Groups – Mobile Welding, Thermite Welding, Fixed Plant Welding, Turnkey Solutions and Track Measurement.

Mike has a Bachelor’s and Master’s Degree in Electrical Engineering from the University of Illinois and his MBA in Finance and Operations from the University of Chicago. He started his career as an engineer in the petroleum industry. His most recent experience was with KPMG, a consulting firm, where he was a Director in the Procurement and Operations Advisory practice. Mike specializes in working with the operating groups of asset-intensive companies including the oil refining, mining, and steel manufacturing industries, to deliver value-creating solutions, and improve business performance. Mike is eager to put this experience to work at Holland.

Mike was born and raised in Oak Lawn, IL and currently resides in Plainfield with his wife Kathleen and their four children. They have two daughters in college, and one daughter and one son in high school.

About Holland LP

Holland LP is a dedicated engineering-based company servicing the railroad and related industries. Since 1935, Holland has pioneered the delivery of comprehensive and progressive transportation solutions that increase the speed of transportation.
