Holland Receives Top Honors from TTX for the 17th Consecutive Year
Excellence in customer satisfaction and commitment to quality recognized

CRETE, IL – April 29, 2016 –Holland LP received the “TTX Excellent Supplier” designation based on its overall SECO (Supplier Evaluation Committee) evaluation for the year 2015. This is the company’s 20th time to be recognized with 17 of those years being consecutive. Holland’s commitment to customer satisfaction and product excellence placed them in the top category for overall SECO ratings. The evaluation process reviews five categories of performance including quality, cost, delivery, service and financial/administration. This top rating supports Holland’s focus on customer partnerships and outstanding performance. Holland is proud to support TTX’s efforts in providing services and equipment of the highest quality to our country’s transportation system.

About Holland LP

Holland LP is a dedicated engineering-based company servicing the railroad and related industries.
